RLM's Effort to help the Ukrainian Refugees in Ukraine and Poland

Two weeks before the Russian invasion began, I was able to send Lisa and Maria to Poland where they are helping Ukrainian refugees.

Pastor Avilov working with other pastors goes into war zones to rescue refugees and bring them to the Children's Home to provide food and shelter and to help them evacuate into Poland and other border countries.

Children's Home in Kremenchuk

Pastor Avilov, Tatyana and Anna are staying at the Children's Home to take care of the orphans and refugees coming to Kremenchuk.

Pastor Avilov has been receiving the transitioning Ukrainian refugees at the Children's Home in Kremenchuk everyday. They have served over 40 refugee families (mostly women and children) by providing shelter, food, medicine and other necessities. RLM has been providing regular financial support to Pastor Avilov so they can help orphans and the refugees. Maria and Lisa are working with a Ukrainian pastor Sergii in Warsaw, Poland to provide relief aid for the refugees coming into Poland each day. I will join with Pastor Sergii, Maria and Lisa to help the refugees in Warsaw and will go to the border cities to see the refugee situation while I will be visiting Warsaw in April 4-11.

Maria and Lisa with Pastor Sergii's church are gathering relief goods donated by Polish people and take them to the refugee camps to help the refugees in Poland. They are also filling the trucks with relief goods which will be transported to Kyiv to help remaining residents and soldiers with food, medicines, clothes, other necessities each day.

RLM's Effort to help the Ukrainian Refugees in Ternopil, Ukraine

Pastor Khavarov of Ethnos Church in Ternopil, Ukraine has been providing shelter, food, medicines, and other necessities to the transitioning refugees. They are also using their church bus to take many refugees to the Polish border for them to escape

I, Dr. James Lee, have been ministering in over six different regions of Ukraine for the past nine years. I equipped over 600 young adults with GHN seminar for the past eight years at Ethnos Church in Ternopil and have provided financial support to build a Children's Home in Kremenchuk, Ukraine. I will be closely working with Pastor Avilov in Kremenchuk, Pastor Khavarov in Ternopil, Pastor Nick in Kyiv, Pastor Sergii in Warsaw, Poland to provide our support for the refugees in Ukraine and Poland. They are very reliable pastors and we will work with them to provide relief funds for the Ukrainian refugees:
